**FREEDOM OF INFORMATION & PROTECTION OF PRIVACY**

Due to the Privacy Act, which came into effect September 1<sup>st</sup> 1998, we can no longer publish personal information without the written consent of the parents. Therefore, your written permission is required to publish a team list complete with player and parent names, phone number and address. This list will be used internally as a player contact list. It may also be necessary to send a team list to enter tournaments or book hotels. Your permission will also cover this.

We also need permission to have your player information released for Public Relations purposes. This would include newspaper, radio, television, and internet - league websites. In the case of older players, release is also required if information is to be released for scouting purposes.

**Yes**    **No**            - I allow team to publish player's name/picture.

**Yes**    **No**            - I allow local association to release player info for the above mentioned situations
